

SHUT DOWN WORK FOR OLD EMPLOYE

One of the oldest, most respected and mourned employees of the Honolulu Iron Works, Peter K. Pa, died yesterday at the age of 53. The deceased had been connected with that well-known concern for so long that everyone had come to associate one with the other. He spent 35 years in its service.

In respect to the man who has labored for and with them since the days of the little shops on Nuuanu avenue to the time when their plant branched out and spread all over the city to become one of the largest establishments west of the largest establishment of the company ordered the big works closed at noon.

In memory of a man whose name had come to be a watchword among the iron makers of Honolulu, the Canton, Nelli & Co. plant was also closed at 12 today that its employees might attend the funeral at 4 o'clock this afternoon from the Kawaiahaeo church along with the Honolulu Iron Works people and the deceased many other friends.

Fall bearers were Thomas Smith, Stephen Smith, E. J. Mahoney, Peter Nielsen, Henry Bell and J. C. Brown. There was also a large honorary escort of fellow molders.

Pa was one of the first core makers in the old Nuuanu shops and recently was boss of construction under Foreman Thomas Smith of the molders at the works. He was a true kamaaina, one of the real old-timers whose presence in the city and about the plant has long been appreciated and whose removal leaves a vacancy that will be impossible to forget.

Born in Honolulu Pa has been a resident in this city all his life. His home was on Lanikaula lane in Kakaako where he is survived by his wife and one son, Peter. Burial this afternoon is to be in the Kawaiahaeo cemetery.

FILIPINO GUARDSMAN OF KAUAI COURT MARTIALED AND REDUCED TO RANKS

(Honolulu Star-Bulletin Correspondence.) LIHUE, Kauai, May 5.—A special court martial convened at the National Guard headquarters on Wednesday afternoon, May 2, at Lihue, to try the case of Sergeant Valentine Cobacha, a Filipino of unusual education and ability, who has held a responsible position in the guard.

The court was composed of the following detail of officers from the 4th Regiment: Captains J. H. Morague, Malcolm A. Knott, Frank Cox, First Lieutenants William Walealea, Fay H. McCall and Fred Patterson, the latter acting as judge advocate. Captain Philip Rice represented the defendant.

It is said that Cobacha's conduct merited the order of a superior and interfered with the performance of duty of certain men assigned to certain tasks, apparently causing dissatisfaction among them.

After a protracted hearing the court

KAUAI NEWS

(Special Star-Bulletin Correspondence.) LIHUE, Kauai, May 6.—The regular monthly meeting of the Mokihans Club was held in the Lihue Social hall on Wednesday, May 2.

The Rev. Marcus E. Carver addressed the meeting on the subject "Brazil." Mr. Carver described the life and customs of the people and illustrated by many humorous and pathetic anecdotes the different phases of social life and personal characteristics.

Among other points Mr. Carver emphasized the extreme politeness and hospitality of the inhabitants of Brazil the wonderful cities and public buildings and the advanced interest in education.

After the address tea was served by the hostesses, Mrs. H. Rohrig and Mrs. A. Thellen.

Senator J. H. Coney and family arrived home on Friday morning from Honolulu. The Kauai senator reports a busy session of the legislature and is glad to return to the coolness and quiet of the Garden Island.

Representative C. H. Wilcox and family returned to Lihue on Friday, following the close of the legislature.

Mrs. J. A. Hogg entertained at bridge on Thursday afternoon. About a dozen Lihue ladies were present and enjoyed the hospitality.

Circuit Judge Lyle A. Dickey left this week for a short vacation on the mainland. He expects to return about the middle of June.

A luau was given at Kilohana, the home of Mr. and Mrs. Albert S. Wilcox, on Friday evening, in honor of Mr. and Mrs. Allen C. Wilcox, who were married last week.

The happy young couple have been spending their honeymoon at Hanalei and returned to meet their host of friends at the luau. A large and representative gathering of society folk enjoyed the excellent entertainment.

CHURCH CHOIRS DISRUPTED

(By Associated Press.) LONDON, Eng.—Church choirs which have been disrupted owing to the call of young men to the army have found it necessary to requisition the veterans of the congregation. A large number of men at from 65 to 70 years of age have returned to the choirs' stalls, and in a few instances, women choirs, wearing purple, cassock and purple hat of uniform pattern, have been organized.

Imposed a fine of fifty dollars and ordered that Cobacha be reduced to the ranks.

WEEKLY PRODUCE REPORT

By A. T. LONGLEY, Marketing Superintendent.
ISSUED BY THE TERRITORIAL MARKETING DIVISION
WEEK ENDING MAY 4, 1917

Eggs have not advanced for the past three weeks and a great many small poultry raisers are disposing of their stock in order to avoid the high cost of feed. The demand for poultry is good.

All growers who have calico or red beans on hand should reserve them for feed and not use them for food. The division is having more calls for these beans than it can supply.

Do not slaughter hogs that weigh less than 100 pounds simply to get away from the high cost of feed. Either raise your own feed or sell to some one who will and thereby keep up the pork production of the islands. There will be a great scarcity of hogs in a few months if the producers kill off the young at this time.

The price of beef has advanced one cent a pound during the week and it is likely that the price of pork will advance still more. Mutton and veal have also advanced.

From the quantity of vegetable

seeds that has been sold in the past few weeks there will be a great surplus shortly for which there will be no market. All those who have as much as a quarter of an acre to plant should put in such crops as dried beans, potatoes or sweet potatoes. Beans will probably be the safest. Poultrymen should plant either pigeon peas or sorghum.

Large quantities of field seeds for both human food and stock food should begin to arrive by the next boat, and if the territory is to become anywhere near self supporting much larger areas will have to be planted. Under a recent act of the legislature the division is given \$2500.00 with which to purchase seed to be sold at cost to all who apply for same. Every man who can prepare as much as a few square yards should plant some crop for which he is assured a market if he cannot consume it at home.

A. T. LONGLEY,
Superintendent.

DOMESTIC SCIENCE IN SCHOOLS MAY AID NATION IN WARFARE

DENVER, Colo.—Utilization of the class exercises in domestic science or manual training now held in many Colorado schools for the relief of the country's war needs is suggested in a communication from Mrs. Mary C. Bradford, state superintendent of public instruction, to schools in Colorado. Mrs. Bradford suggests that school girls learning to sew may add a considerable amount to the country's supply of bandages by expending their efforts on them rather than on unnecessary articles often made as exercises.

"I am making this plea in a deep sense of the urgency of the present crisis," she wrote, "and of the great value of the service that could be rendered by the school children of the nation."

NINE WOMEN ARE TAKEN BY POLICE

Denizens of Lihue who have been living in that district for some time with permission of the police with the provision that they forget their former profession were surprised last Sunday morning when Capt. Arthur McDuffie of the detectives with his force surrounded the occupied cottages and arrested every inmate. Nine women were taken. All were in the original 114 who got suspended sentences from Judge Ashford when arraigned in the circuit court for vagrancy. McDuffie's plan now is to have them tried in the district court on charges of vagrancy and sent to Judge Ashford for the purpose of moving on sentence if they are found guilty.

One of the denizens, Louise Doyle, concerning whom the police claim to have more evidence than about the others, was taken directly to circuit court this morning, but soon her freedom when the man whom she was with produced a marriage license and offered to marry her.

The only one discharged from police court was Louise Perrin. In this case there was insufficient evidence to warrant holding her, according to McDuffie. The cases of the other seven, Susie Nellies, Virginia Fernandez, Lucy Murphy, Helen Stewart, P. Devore, Louise Flachelle and L. Gorman were postponed one week.

McDuffie has been watching the district for some time for he believed there were too many loafers there and reports which came to his office confirmed his suspicions. Saturday night appeared a good time to strike and the detectives found evidence of flourishing business. The chief explains that there was no concerted movement of women to go back to Lihue but merely an indication upon the part of those who had been allowed to remain there to open house.

SOLDIER IS HONORED FOR SELF-SACRIFICE

LONDON, Eng.—Private David Ross, leader of the Royal Scots Fusiliers has been awarded the Victoria cross for an unusual feat of self-sacrifice. Private Ross was a bomber and during a charge he hurled a bomb at the German trench. The missile struck the parapet and bounded back among the charging troops. There was no time to smother the bomb so Private Ross put his foot upon it, localizing the explosion. His foot was blown off, but the remainder of the charging party escaped unhurt.

Fire destroyed the Central Furniture Co. at Richmond, Va., at a loss of \$50,000.

CUBAN REVOLT IS CERTAIN TO CAUSE SERIOUS LOSSES

(Continued from page one)

harvesting is most opportune as the rains are due to start about the middle of this month. When they are on it will be impossible for a time to haul cane to the mills.

Crop Seriously Affected
Gibson doubts if any one can at this time make an accurate estimate of the probable Cuban sugar output this year and is inclined to think that most of the figures so far given out are apt to overestimate, especially if the revolt has taken the more serious turn indicated and if the rains start at the usual season of the year that they are expected. Already losses in crop have been very heavy and the recent news is most discouraging to sugar planters of Cuba.

Price likely to Rise
That if the Cuban sugar crop is injured as much as the reports indicate the price of sugar will undoubtedly go up, is the opinion of Georg Rodiek, president of the Hawaiian Sugar Planters' Association.

"The reports so far, however, are very indefinite and just what will be the outcome is hard to say," Rodiek said. "I shall be able to say better when we receive a report from the New York agents. Naturally the price will increase if the crop is badly damaged."

SWISS EXPORTS AFFECTED.

(By Associated Press.) ST. GALL, Switzerland.—The submarine war and conditions prevailing are accounted responsible for the retrogression during February, 1917, of the export of embroideries to the United States by about 75 per cent compared to those of February, 1916. The exports in that month aggregated \$496,436 francs. This year they were only \$126,046 francs, or a loss of \$370,390 francs.

Vote for David Kalei Kahaullelo

A Pure Blooded Son of the Soil, for Hawaii's Two Term Centenary Anniversary Mayor, 1919-1920.

Which will commemorate the work of God as manifested through the instrumentality of his inspired servants Kamehameha the 1st, and the humble band of self-sacrificing missionaries who first brought the light of the gospel of Jesus Christ to these islands.

The hand of God is leading the destiny of these islands to a climax the nature of which will begin to crystallize at the coming centenary anniversary celebration, and Hawaii's soul awakening from then on will roll to the spiritual climax ordained of God in connection with a world wide crisis at large.

Let the intelligent men and loving women of the City and County of Honolulu get back of Mr. Kahaullelo for the Mayor's chair now, and for the celebration, and actively work with him, and far more progress can be made in rapid civic improvements and moral reform than could have been accomplished with a perfect city charter and an abatement by injunction law put together, in conjunction with any other man now running for Mayor, for they will have a growing all powerful sentiment to help them.

Republican Candidate for SUPERVISOR

VOTERS OF OAHU!

I am offering myself as a candidate for the office of Supervisor—

- Because I believe in Honolulu;
- Because I want all present roads made passable;
- Because I want new roads to be of permanent construction;
- Because I want good sidewalks and plantings of them;
- Because I want Waikiki Beach improved;
- Because I don't want our homes flooded at every rainstorm;
- Because I want Oahu's scenic beauties made more accessible;
- Because I want adequate water and sewer systems;
- Because I want more street lighting;
- Because I want a larger and better equipped police department;
- Because I want a cleaner city;
- Because I want a better garbage service;
- Because I want the present high standard of the fire department maintained;
- Because I want better living conditions for our working men;
- Because I want Honolulu to take a real part in food raising and saving;
- Because I know that, with persistent effort along good business lines, Honolulu can have these improvements;
- Because I am a man of action rather than words;
- Because I have made good in similar positions at my former home;
- Because I feel that I can be of material service to you;
- Because I know that these improvements will make life happier for us who hope to live here the rest of our days;
- Because all these things will help satisfy our tourist visitors and make them boosters for all Hawaii;

And
Because I believe you will go to the polls on Saturday, May 19th, and vote for a man whom you can depend upon to work for your best interests.

Yours for a bigger and better Honolulu,

J. ASHMAN BEAVEN,
(Keoni Pevina).
